In January 2024, as part of the efforts by ComPcare K. Bhuvaneswari and Suriyan Pathippagam, two remarkable books titled "Asaththum AI – Part1" and "Asaththum AI – Part2" have been released, First time in Publication industry, iNtegrating Ai with Printed Books. In each chapter, An Ai Avatar explains the core concept of the chapter content, Which makes the reader more excitement.

In the upcoming academic year, these two books will serve as reference materials for advanced learning of Sevalaya Group of Schools for students in the 11th and 12th grades. These books, which introduce the fascinating world of Artificial Intelligence (AI). Additionally, the school administration has decided to incorporate these books along with some robotics courses, conducted as part of the robotics curriculum during Summer. This initiative aims to provide +1 and +2 students with a comprehensive understanding of AI and supplement their education with relevant reference materials.

The introduction of AI avatars in books,   it is not only a pioneering effort in the publishing world but also provides readers with a novel and enriching experience. There is no doubt that this innovation will bring a fresh and unique dimension to the reading experience for the audience.

The utilization of these books in our school will undoubtedly bring joy to the students. The school is pleased to incorporate these books into the curriculum for the benefit of the students.
